

Library

From the librarian:

The library, is located on the 2d floor of the association office. We have over 2,000 books in our library. Thanks to all who contribute. It is divided into several sections. The Fiction/Non-Fiction hardbacks and paperbacks are filed alphabetically by author. Subject matter such as Biographies, Health/Diet, Children, Sports, Investing, Military, Travel, Inspirational and Computer are filed by subject matter...

Book Drop: Please place returned books in this box. Also , if anyone has some gently used children's books and would like to donate

them it would be appreciated for visiting grandchildren. Please put them in white box.

Reminder: when returning books please mark the inside cover of the book with today's date and if you like, your initials. This way I can judge if some books can be purged if not read in last 3 years.

Thanks
