

## Library

**Thanks to all who donate books and magazines** to our Library. We now have approximately 2000 books.

**As new books come in**, we purge the older. They are taken to organizations such as Goodwill, Molly Mutts, Injoy, Salvation Army etc. for their thrift stores.

**We appreciate all donations**, but please help us by eliminating the following:

1. Damaged, torn and dirty
2. Paperbacks older than the year 2000 with some exceptions for classics
3. Cookbooks
4. Periodical magazines which are older than 4 months- some exceptions such as Smithsonian & Nat'l Geographic
5. CD's

**Our shelf space is limited** so please if you were thinking of donating any of the above we would appreciate you take them to a different donation site.

**When returning books** please put them in the white box provided. This insures they are stamped, dated and filed in the proper place.

**And as a final note**, please look around your homes for “borrowed” books that you may have forgotten to return. Others might enjoy the approximately 20 books that have “gone missing” in the last couple of years.

Thank you!

**The Librarian a.k.a. the Keeper of the Books**
